

THERE IS LIFE ON MAIN STREET THIS SUMMER!

On the first Thursday of each month, from May through October, Main Street will host a casual summer party with music and events for the entire family. Merchants will be opening their shops, sprawling onto the sidewalks, welcoming passersby.

Each month will have a different theme and will feature a different block of Main Street (and cross streets). The schedule of events is on the other side.

Stop by after work, for just a moment or for the evening!
